MUGISHA Louis Marie De Montfort
Kigali, Rwanda. Mugishamontfort28@gmail.com. +(250)790779776

Objective

Motivated and hardworking final-year Software Engineering student passionate about web development. Seeking an internship to apply my skills in front-end and back-end technologies, to contribute to innovative projects, and gain industry experience.

Education

Bachelor of Software Engineering
INES Ruhengeri, Musanze, Rwanda
(Expected graduation: [October, 2025])

Skills

- **Web development:** HTML, CSS, JavaScript, React, Bootstrap, Tailwind CSS
- **Back-end knowledge:** Node.js, Python, basic SQL, MongoDB
- **Tools:** Git, GitHub, VS Code
- **Soft Skills:** Creativity, teamwork, problem-solving, adaptability, attention to detail, strong communication, ability to write clear, concise, and user-friendly documentation

---

Academic Projects

Mental Health Platform (Final Year Project)

- Designing a platform to connect users with mental health resources and professionals.
- Focusing on user-friendly front-end interfaces and secure back-end services.

Marketplace for Local Farmers

- Developed a Java-based application to facilitate direct sales between farmers and consumers.
- Implemented object-oriented design principles and user-friendly interfaces.

Interactive Portfolio Website

- Built a personal website showcasing projects and technical skills using HTML, CSS, and JavaScript.

Activities and interests

- Passionate about creating intuitive web designs and learning emerging technologies.
- Self-driven learner of modern frameworks and development practices.
